## 6"x4" Postcard (front)

**safety zone**

Your text (type) should be at least 0.125" inside the cut line on each side, represented by the **GREEN** safety zone.

**trim line**

This is where your document will be cut.

**bleed area**

If your final product requires printing to the edge, you **MUST** extend your artwork to the **RED** boundary box to ensure a proper bleed. Anything in the **RED** area will be trimmed off.
